LI To polish and publish a modern retelling  
of Romeo and Juliet.

One cold ice lamp morning in Verona  
there were two shops called the Montagues  
and Capulets who were arguing once more  
as they were posting nasty comments  
about each other on Twitter. They were  
saying that that the Montagues food was  
poisonous with the Capulets saying the  
same about the others. This was the latest  
incident in the war such as shouting  
outside stores and nothg through each others  
shops. This latest incident refled  
back on Verona making tourists not want  
to come. The mayor of Verona was furious  
with rage and he threatened to get builders  
to destroy their shops if it continued.

Later that day the Capulet's  
Emplage of the month awards ceremony  
was held in an enormous golden room  
about seven hundred metres wide. Lord  
Capulet announced whith a Shaun Sir  
Tybolt was the anploye of the month. Tybolt  
sat on the golden chair and smirked.  
Sneaking nurse, Romeo, benvolo and metusho  
entered from the trap door all free invaders  
santia with sapras and left their heads of  
after a wazl eveb oelde stastind to  
dance along whif the music. Juliet kits  
her heels in disapoint mant whif a shan  
Romeo saw Juliet thought that she was  
like a fish out of water.

Romeo thought she was the most Beautiful Girl in the world. Juliet caught sight of Romeo and they danced and they knew they had to get married straight away.

Not long after the secret wedding the secret cup. Later that hour Romeo was rushing into the streets of Verona when in a flash Tybalt and his gang caught him from behind and found him for a fool. Calmly Romeo answered, "I am waiting away

because fighting is forbidden in Verona? He calmly crept away. However, Mercutio lost his temper and began to fight Tybalt. The two battled furiously until Mercutio was slain.

Upon hearing this news and upon hearing the news Romeo rushed back to Tybalt. "You must die you monster!" As quick as lightning Romeo killed Tybalt. The mayor of Verona heard the news and banished him from the town forever.

At that moment Juliet was sobbing in the arms of Friar Lawrence after hearing an earth shaking revelation. Her parents were forcing her to marry Paris. Friar Lawrence wanted to help his friend with every last strength left in his body. In a stroke of genius he came up with a plot. Boldly he explained, "I will crush sleeping pill into a burger which will make you appear dead for forty eight hours. You can then run away with Romeo. Please remember to tell Romeo the plan."

pleaded Juliet. He promised to do  
this so Juliet ate the burger and fell  
asleep. Not long after, Lord Capulet discovered  
that Juliet did not appear for breakfast.  
Cautiously they marched up the  
spiral staircase to her chamber. To  
their complete dissonance they stumbled  
upon the lifeless body of their delightful  
daughter Juliet dead on the floor. They  
wept in sorrow. Sadly they transported place  
in the family ~~son's~~ tomb. Listening in the  
bushes Romeo's personal assistant Balthazar  
heard the news with regret. In a flash he  
dashed to Romeo to share the terrible  
news. Romeo's heart shattered and  
he swore to buy poison to end his own life.  
Simultaneously Friar Lawrence was sat at  
home feeling as if he had forgotten  
to do something.

reporting ~~as lost as~~ Romeo arrived at  
the Capulet tomb he felt as lost as a leaf  
separated from its branch. He drank his  
poison and drifted to his death moments  
later Juliet awoke. From her silent  
slumber to see her husband, Romeo slumped  
dead on the floor. In a fit of grief she  
grabbed Romeo's dagger and plunged  
it into her heart. The tragic lovers  
were found and their families united  
in grief. The prince of Verona blamed them  
both for what deaths. He screamed.  
Never was there a story of more  
woe than of Juliet and her Romeo. 99
